

AMENDMENTS TO THE CLAIMS

Claim 1 (currently amended)

1. ~~Cosmetic or dermatological preparations~~ preparation which are finely disperse water-in-oil ~~systems~~ system comprising
 1. an oil phase,
 2. a water phase,
 3. at least one modified phyllosilicate which exhibits both hydrophilic and lipophilic properties and positions itself at the water/oil interface and
 4. at most 0.5% by weight of one or more ~~emulsifiers~~ emulsifier.

Claim 2 (currently amended)

2. ~~Preparations~~ Preparation according to Claim 1, characterized in that they are emulsifier-free.

Claim 3 (currently amended)

3. ~~Preparations~~ Preparation according to claim 1, wherein the further cosmetic or pharmaceutical auxiliaries, additives and/or active ingredients are present.

Claim 4 (currently amended)

4. ~~Preparations~~ Preparation according to claim 1, wherein the content of one or more modified phyllosilicates is between 0.05% by weight and 10% by weight based on the total weight of the ~~preparations~~ preparation.

Claims 5-8 (cancelled)

Claim 9 (currently amended)

9. ~~Preparations~~ Preparation according to claim 1, wherein in addition to one or more modified ~~phyllosilicates~~ phyllosilicate, further ~~pigments are~~ pigment(s) is/are present wherein said further ~~pigments are~~ pigment(s) is/are selected from the group consisting of modified ~~polysaccharides~~ polysaccharide(s), microfine polymer ~~particles~~ particle(s), micronized inorganic ~~pigments~~ pigment(s) and mixtures thereof.

Claim 10 (previously presented)

10. The preparation of claim 9, wherein said micronized inorganic ~~pigments are~~ pigment(s) is/are amphiphilic metal ~~oxides~~ oxide(s).

Claim 11 (previously presented)

11. The preparation of claim 10, wherein said amphiphilic metal ~~oxides are~~ oxide(s) is/are selected from the group consisting of titanium dioxide, zinc oxide, iron ~~oxides~~ oxide(s), iron mixed ~~oxides~~ oxide(s), silicon dioxide, ~~silicates~~ silicate(s) and mixtures thereof.

Claim 12 (previously presented)

12. Preparation according to claim 3, wherein said further cosmetic or pharmaceutical auxiliaries, additives and/or active ingredients are UV filter substances.

Claim 13 (previously presented)

13. Preparation according to claim 12, wherein said UV filter substances are unsymmetrically substituted s-triazine derivatives selected from the group consisting of 2,4-bis{[4-(2-ethylhexyloxy)-2-hydroxy]phenyl}-6-(4-methoxyphenyl)-1,3,5-triazine and dioctylbutylamidotriazone.

Claim 14 (previously presented)

14. Preparation according to claim 3 wherein said further cosmetic or pharmaceutical auxiliaries, additives and/or active ingredients are sulfonated UV filters selected from the group consisting of phenylene-1,4-bis(2-benzimidazolyl)-3,3'-5,5'-tetrasulfonic acid and its salts; benzene-1,4-di(2-oxo-3-benzylidenemethyl-10-sulfonic acid) and its salts; 3-phenylbenzimidazole-5-sulfonic acid and its salts; and sulfonic acid derivatives of 3-benzylidenecamphor and salts thereof.

Claim 15 (previously presented)

15. ~~Preparations~~ Preparation according to claim 1 further comprising one or more additives or active ingredients selected from the group consisting of astringents, antimicrobially active substances and substances effective against acne.

Claim 16 (previously presented)

16. ~~Preparations~~ Preparation according to claim 4, wherein the content of one or more modified phyllosilicates ~~is~~ phyllosilicate(s) is/are between 0.1% by weight and 2% by weight based on the total weight of the ~~preparations~~ preparation.
